

Funding Expression of Interest Survey

Hastings Landcare Inc. & Port Macquarie Hastings Council are preparing an Action Plan for 2009 and beyond to facilitate seeking funding for the implementation of on-ground environmental improvement works. As part of this process, Hastings Landcare Inc. is maintaining a database of landholders who are interested in seeking funding for works to be carried out on their property which will allow us to easily contact you if a funding opportunity arises. Please fill out the survey below and return it to Hastings Landcare and we can add you to our database. All details will be confidential and only used for the purpose of determining funding directions or for contacting you. Also, we may generate GIS Maps for the purpose of locating Expressions of Interest. Please tick one of the boxes below to indicate whether you authorise for this information to be placed on a map for internal use by Hastings Landcare or PMHC. No names will be included on the map.

Yes, I agree to have my location identified on a GIS map for Expressions of Interest. []
No, I do not agree to have my location identified on a map. []
